ALL BIDDERS PLEASE READ

Terms Governing This Sale

Bidders unknown to us will please furnish bank or other references or deposit 25 per cent with their bids, and it is agreed that remittance will be made upon receipt of invoice if references are not furnished.

Any coin which is not satisfactory may be returned within five days from date of receipt for full refund. **You must be satisfied. PAYMENT TO BE MADE UPON RECEIPT OF MERCHANDISE.** Coins remain our property until paid for. There will be no charge for executing your bids but the purchasers will be required to pay the postage and insurance on their purchases. If you do not wish coins sent airmail please note this on your bid sheet.

We shall welcome your bids and will try to purchase the coins as much below your bids as possible. **PLEASE BID BY THE LOT.** Unlimited bids are executed at an advance of 5 per cent over the next highest bid. Numbers in () are the quantity of that item.

If you are interested in any particular coin, we shall be glad to have you write us for full information. **LOTS CANNOT BE BROKEN.** Be sure you bid on the correct lot as we cannot be responsible for errors in bidding.

NOTICE TO NEW BIDDERS

Our Mail Sales Are Conducted As Follows:

1. Bids are entered in the order received; if identical bids are received, the first bidder is awarded the lot. **SEND BIDS AIRMAIL—IT PAYS.**

2. The highest bidder on the date of the sale is awarded the coin at a slight advance over the second highest bidder. **Bids you send in are the maximum you are willing to pay for the coin. WE, AS YOUR AGENT, TRY TO BUY THE COIN AS LOW AS THE NEXT HIGHEST BID WILL ALLOW.**

3. Valuations placed in the auction catalog are catalog prices, prices generally asked by dealers when the coin is in stock, or prices generally realized at auctions.

ANY COIN WHICH IS NOT AS REPRESENTED MAY BE RETURNED WITHIN FIVE DAYS FROM DATE OF RECEIPT FOR FULL REFUND. YOU TO BE THE SOLE JUDGE AS TO CONDITION. YOU MUST BE SATISFIED. No, you won't receive a nasty letter for returning a coin—instead you will receive a letter thanking you for calling attention to the error made in cataloging. While we try to describe coins as accurately as possible, it is inevitable that an occasional error is made in the cataloging of thousands of coins for each sale. Whenever this happens, we want it called to our attention to help prevent future errors.

Any coins may be inspected prior to the sale, collector to pay postage and insurance both ways.

If you are not interested in these sales, won't you advise us so we may discontinue sending you catalogs.

PRICE LIST OF SALE \$1.00

IS THIS YOUR FIRST AUCTION CATALOG?

21st EDITION (1968) GUIDE BOOK, (1965) PAPER MONEY 5th EDITION
"TRENDS" AND OTHER AUCTION RECORDS USED IN CATALOGING.

Occasionally a collector writes us asking why our estimated values in some instances are higher than the catalog listing. This occurs when the demand is so great and the supply so small that new records are set whenever these come upon the market. If one will take a few moments to reflect, he will understand that it takes several months to compile the necessary information before the catalog can be published, therefore, it is inevitable that the catalog listing will be under the prevailing market price on the items in popular demand at the time of the publication. **The estimated prices are entered only after careful examination of various records and publications which reflect the actual and not theoretical values. (PLEASE NOTE THAT MANY OF THE ESTIMATES ARE CATALOG VALUE ONLY. MANY OF THE GOLD COINS, SILVER \$1, WASHINGTON QUARTERS, CURRENCY, ETC. ARE ESTIMATED AT CATALOG).** In the final analysis, you the collector, are the one who sets the price.

BIDS ARE RECORDED AS FOLLOWS: Each bid sheet is given a number as it comes in, and the bids are recorded. In the event of identical bids, the first bidder receives the lot. At the last day of the sale, the books are closed with the highest bidder on each lot being awarded the lot at an advance of not over 5% above the next highest bidder. For illustration—the two highest bids received on a lot may be \$17 and \$20. The highest bidder who bid \$20 would receive the lot at \$17.50. We act as your agent and use your bids as a limit—not as a final bid unless we are forced to do so to obtain the lot. We accept unlimited bids which generally assures the bidder of obtaining that lot regardless of what the highest bid may be. Where the lot is bringing far more than we believe it is worth, or in the event of two unlimited bidders on the same lot, we notify the unlimited bidders by phone or wire, if necessary, in order to obtain a fixed limit to the bid. Even tho auction purchases are supposed to be final, we do not want you to keep any lots which you believe are improperly described. We endeavor to treat our customers as we would wish to be treated. We try to keep it on a friendly basis and value the many friends we have made thru the years. If you have any complaints, we want to hear them, as well as any compliments.

**YOUR SUCCESSFUL BIDS WILL INSURE YOUR RECEIVING
SUCCESSIVE CATALOGS WITHOUT INTERRUPTION**

BARGAINS

In every sale, some lots go at "bargain prices." May we suggest that in addition to bidding on those lots you "really want," you place nominal bids on those lots that "you might buy if they went at bargain prices." While you may not obtain many of these "bargain lots", yet in every sale you may pick up some real bargains.

Sincerely,

A. M. KAGIN and PAUL KAGIN

YOU MUST BE SATISFIED

Our Sales Are Cataloged With You in Mind. If you have any suggestions, complaints, (yes we receive some now and then), we want to hear them. Having catalogued over two hundred seventy successful coin sales, we believe we are qualified to advise and help you with your numismatic problems. No, we don't "know-it-all" but we do know where to obtain the information we don't have.

We have a number of want lists on hand for the scarce and rare United States coins and currency. Our average commission for obtaining these specimens is only 10 per cent, therefore we believe we can pay the top price for your choice and scarce pieces, no matter how rare. Don't you think it is worth a 8c airmail stamp to find out what we would pay for your outstanding pieces? Naturally we buy collections, too.

SOMETHING NEW HAS BEEN ADDED

We wish to call your attention to the new service extended as per the bottom of the bid sheet. After receiving requests to apply the amount saved in the awarding of successful bids below the bids authorized we decided to avail this service to all of our clients. It is often exasperating to lose a lot by a few nickels when the amount saved on the successful bids would have been sufficient to increase the original bid to the point necessary to receive the lot. Check the bottom of your bid sheet.

Postal regulations require Zip Codes. To continue receiving these catalogs be sure you send us this Zip Code.

463—1848 PERFECT BRILLIANT SLIGHTLY BLUISH SHARP STRUCK PROOF! A MAGNIFICENT SPECIMEN OF THE MEDIUM DATE. ACQUIRED AS “SMALL DATE, EXCESSIVELY RARE” AT \$1,000.00. EXTREMELY RARE 1870-S \$1

1162—From a 1964 sale described "1870-S THE PRIZE OF THIS SALE. We have traced the pedigree of this RARITY back to a 1957 New York sale wherein it was described as follows: '1870-S ONE OF THE RAREST COINS IN THE U.S. SERIES. This is the Hesslein-World' Greatest Collection-Skinner specimen. This coin is a very fine specimen, but at one time some sort of roughness was in the obverse field. This impairment has been removed. ONLY 6 OR 7 ARE KNOWN TO EXIST. THIS FACT PLACES THIS COIN IN THE CLASS OF THE 1804 DOLL!' Since then, this coin has acquired a nice toning giving it an attractive appearance. The impairment can only be noticed by holding it at a slant, and then only on close inspection. It is mounted in a plastic holder. The reverse is quite sharp, indeed it is rather close to Uncirculated with a nice luster. Fortunately, we have a fairly recent record in order to determine its present value. The Wolfson collection sold in New York in May (1963) had an 1804 dollar which realized \$36,000.00. It also contained a specimen of the 1870-S. Upon comparing the photograph of the Wolfson specimen with the one in this sale, we note our specimen has a sharper obverse. The reverse of our specimen is at least a FULL GRADE BETTER THAN THE WOLFSON COIN. Mr. Wolfson bought his very fine coin out of the Fairbanks sale in 1960 at \$9,000.00. When it was auctioned in May (1963) it was sold at \$12,000.00. With the rise in market values since then, we believe this great rarity will now realize closer to 15,000.00."

Now, three years later, we feel this great rarity can set a new record.

Consignment C — Washington

TYPE SET \$20 GOLD, PROOF & UNC.

1423—1864 NO MOTTO, BRILLIANT GEM PROOF! A MAGNIFICENT SPECIMEN OF THIS GREAT RARITY! It is exceedingly difficult to place a value on this great rarity. The great Wolfson sale (Oct. 1962) contained 38 different dates of proof double eagles starting 1859 but did not contain this date! A leading authority has estimated that "15 or so were struck in proof from 1859 through 1864". We doubt if half that number are still in existence now, over a century later. Possibly an equal specimen may exist but certainly no superior one! The owner states, "The catalog values the 1904 (98 struck) at \$2400, 1905 (92struck) at \$2600 and 1906 (94 struck) at \$2500; I feel this EXCESSIVELY RARE DATE AND TYPE IN PRISTINE CONDITION IS WELL worth 7,500.00."

1424—1866 WITH MOTTO, "TWENTY D.", BRILLIANT PROOF. RARE TYPE. This is the gold plated copper piece purchased in our January 1966 sale (ONLY 4 to 12 STRUCK) and valued then, nearly two years ago, at	750.00
--	--------

TYPE SET \$20 GOLD, PROOF & UNC. (Cont.)

- 1425—1906 "TWENTY DOLLARS", BRILLIANT AND CHOICE PROOF! ONLY 94 STRUCK OF WHICH ONLY A VERY FEW ARE STILL IN THIS REMARKABLE CONDITION. Acquired from our Sept. 1965 sale where it was valued \$3,000.00. The catalog has a valuation of \$2,500.00 for this date but this premium specimen should surely be worth closer to the 3,000.00
- 1426—1907 HIGH RELIEF, ROMAN NUMERALS (MCMVII) flat rim variety. A CHOICE UNCIRCULATED, SHARPLY STRUCK SPECIMEN OF THIS BEAUTIFUL DESIGN! Certainly a premium coin worth over its catalog valuation of \$800; probably closer to 900.00
- 1427—1908 Arabic (normal) numerals, NO MOTTO, Brilliant Uncirculated. Cat. 87.50
- 1428—1908 IN GOD WE TRUST added by Cogress, 46 STARS (states) Brilliant Uncirculated (gem except for pinpoint nick). LOW ISSUE. Rare so choice. Catalogs too low at 90.00
- 1429—1914-D 48 STARS (Arizona & New Mexico became states 1912) Brilliant Uncirculated (gem except for tiny nick). Catalogs 90.00

TYPE SET \$10 GOLD, CHOICE

- 1430—1796 8x8 STARS (16 states) SMALL EAGLE, PROOFLIKE. A lovely specimen (sometimes offered by the newer dealers as a full "PROOF"). We note a persistent advance in value from year to year reflecting its popularity. Acquired several years ago when it was valued \$3,500; we have since seen a similar specimen offered at 4,000.00

- 1431—1797 10x6 STARS, LARGE HERALDIC EAGLE, UNCIRCULATED. A choice sharp struck specimen. Popular with a persistent advance in value. A premium specimen easily worth 1,750.00

- 1432—1798 OVER 97, STAR PLACEMENT CHANGED TO 9x4, from our sale of a year ago (the last coin acquired for the type set — owner states he searched many years to find this choice specimen) described as "BRILLIANT UNCIRCULATED WITH PROOFLIKE SURFACE. A MAGNIFICENT SPECIMEN ACQUIRED AS "FINEST KNOWN" AT 5,000.00. Since we have not seen a superior specimen in all our thirty-odd years as professionals, this claim could be valid." We note the current catalog has advanced its value again.

- 1433—1803 8x5 STARS, stars somewhat larger, UNCIRCULATED SHARP STRUCK! A premium specimen indeed! Acquired three years ago when it was valued \$1,500; probably now worth over 1,550.00
- 1434—1839 REDUCED SIZE, LOOP FROM EAR, LARGE LETTERS, virtually Uncirculated SHARP STRUCK, slight friction in field, much luster in evidence at stars, bust and eagle, SHARP HAIR IN BUST. VERY RARE SO CHOICE. This is the choicest specimen the owner could find in his many year searching. Since this type was struck only in the latter part of 1838 and early part of 1839, it is in strong demand. We cannot recall seeing a choicer specimen, therefore we must conclude that this is CONDITION CENSUS! We feel this remarkably choice specimen is worth 1,000.00
- 1435—1848 DIFFERENT BUST, NO MOTTO, Brilliant Uncirculated, pinpoint nick takes it out of the gem class. RARE SO CHOICE. 135.00
- 1436—1889-S IN GOD WE TRUST added (in 1866) Brilliant Uncirculated, tiny nick takes it out of the gem class. Catalogs 50.00
- 1437—1932 INDIAN HEAD, Uncirculated with orange tint. Catalogs 75.00

TYPE SET \$5 GOLD, CHOICE

- 1438—1795 10x5 STARS (states) SMALL EAGLE, a choice specimen but we cannot quite accept it for the Sharp "Uncirculated" for which it was acquired. While it is a nice sharp specimen, it does have the usual trace of rubbing so characteristic of these large soft old gold coins. The catalog value for uncirculated has been advanced to 2,400.00

1439—1803 OVER 2, 8x5 STARS, LARGE HERALDIC EAGLE, Uncirculated with orange patina, tiny nick. Catalogs	750.00
1440—1806 7x6 STARS, round top 6, near Uncirculated. SHORT-LIVED TYPE ISSUED ONLY IN LATE 1806 AND EARLY 1807! Catalogs unc. \$750; this one worth	650.00
1441—1807 BUST LEFT IN CAP, CHOICE UNCIRCULATED "GEM." Popular first year of type. An exceptional specimen easily worth over	1,000.00
1442—1813 NEW TYPE LARGE "SQUARE" BUST, A CHOICE SPECIMEN WITH FULL LUSTER! RECORD OVER	1,000.00
1443—1820 Square-Base 2, Uncirculated. RARE. Seldom offered.	1,500.00

1444—1833 SMALLER DIAMETER, LETTERS, DATE & STARS, UNCIRCULATED WITH ORANGE PATINA, RAISED EDGE. VERY RARE! We have more want-lists for this type (1829-1834) than for any other type \$5; Seldom offered offered type. Catalogs low at \$2,100; should be at least	2,500.00
---	----------

1459—1909-D INDIAN, Brilliant Uncirculated, SHARP STRUCK "D." Cat.	37.50

TYPE SET \$3 GOLD, CHOICE

PROOF COMMEMORATIVE HALF DOLLARS & 25c

The "commonest" (1926 Hawaii) is listed in the Guidebook as 50 were struck; nearly all the others are so rare (1 to 6 known) that the Guidebook does not even mention them. The Standard Catalog of United States Coins lists some of the known proofs.

1498—1892 BRILLIANT SLIGHTLY BLUISH PROOF.	100.00
1499—1893 Bluish golden Proof.	85.00
1500—1893 Isabella quarter ,BRILLIANT PROOF, RARE.	500.00
1501—1920 Pilgrim, acquired as a PROOF (it does have a lovely bluish proof surface) however it does not have quite all the characteristics generally associated with proofs. Cost	500.00

1502—1921 PILGRIM, LOVELY GOLDEN MATTE PROOF! ACQUIRED FROM DAVID BULLOWA (Philadelphia) MANY YEARS AGO. BELIEVED TO BE UNIQUE! Since we have no record of another specimen (we handled this identical specimen nearly 8 years ago) we see no reason not to accept the belief as to its being unique. Easily worth \$2,500; possibly over

3,0000.0

1503—1921 MISSOURI 2x4, LOVELY BLuish MATTE PROOF! ACQUIRED FROM STACK'S MANY YEARS AGO (when at 46th St.). ALSO "BELIEVED TO BE UNIQUE!" Easily worth \$2,500; possibly over 3,000.00
--

- | | |
|---|----------|
| 1504—1922 GRANT STAR, LOVELY BLuish MATTE PROOF WITH UNUSUALLY HIGH EDGE BOTH SIDES. ACQUIRED FROM STACK'S SAME TIME AS ABOVE. The Standard Catalog of U.S. Coins knew of the existence of a specimen; whether this is that identical specimen or another, we cannot determine. Easily worth | 2,500.00 |
| 1505—1925 VANCOUVER, LOVELY BLuish MATTE PROOF WITH UNUSUALLY HIGH EDGE BOTH SIDES. ACQUIRED FROM DAVID BULLOWA MANY YEARS AGO. Also listed in Standard Catalog; whether this is that identical specimen, we cannot determine. Since David Bullowa was a knowledgeable professional numismatist and a contributor to the earlier Standard Catalogs, there is a strong possibility that this specimen may be the basis of that listing. Easily worth | 2,500.00 |
| 1506—1928 HAWAIIAN, LOVELY BLuish MATTE PROOF. The "commonest" of the matte proof commemoratives. Of the only 50 struck, a leading authority states that he believes "only about a dozen or so still exist — the others have been "cleaned" or mishandled, ruining them as proofs." Listed in Guidebook but UNPRICED! The last specimen we saw, changed hands at | 1,250.00 |
| 1507—1934 MARYLAND, LOVELY BLuish MATTE PROOF. ACQUIRED FROM DAVID BULLOWA YEARS AGO. Also listed in Standard Catalog (based on this specimen?) Easily worth | 2,500.00 |
| 1508—1938 NEW ROCHELLE, BRILLIANT PROOF WITH RAISED EDGE BOTH SIDES. We note the Hydeman Collection (March, 1961 sale by Kosoff) contained a similar specimen which then, 6½ years ago, realized \$310; we believe its present value closer to | 750.00 |

GEM UNCIRCULATED COMMEMORATIVE HALF DOLLARS

Only a few as most didn't meet his rigid standards for a "gem."

| 1518—1920 Wilson "Dollar" in silver, Brilliant Uncirculated GEM. Cat. | 275.00 |
| 1519—1925 Norse-American, octagon, rare thin planchet, Brilliant unc. GEM. | 40.00 |

PROOF GOLD COMMEMORATIVES

While the Guidebook lists two (both 1903 varieties) the Standard Catalog of U.S. Coins is more complete listing five different. All are RARE with most EXTREMELY RARE! Do not confuse these with proof-surface or first-strike specimens which (upon our examination) usually are the "proofs" which are occasionally offered.

| 1520—\$1 1903 Jefferson, BRILLIANT PROOF with RAISED EDGE BOTH SIDES. Very few of the ONLY 100 STRUCK have survived. A leading authority states, "I doubt if more than a dozen or so still exist." Our 264th Sale contained a specimen which realized \$1,600; what its present value might be will have to be determined by you, the bidder. |

PROOF GOLD COMMEMORATIVES (Cont.)

1521—\$1 1903 McKinley, IN ORIGINAL PRESENTATION FRAME! Accompanying it is page 36 of the COIN WORLD of February 22, 1963 containing the full page ad of one of the older dealers (in business over 25 years) with the following included in the ad: **"MAY BE UNIQUE, A 1903 PROOF JEFFERSON GOLD DOLLAR, in original frame, with wax seal and ribbon, as put out by the mint, with signatures of mint officials, and the wording "ONE OF THE FIRST HUNDRED JEFFERSON GOLD DOLLARS." I bought this about 20 years ago in one of Bolender's auctions, and have never seen one advertised since, which leads me to believe that most or all of the other 99 frames were destroyed and the coins removed. I believe similar frames were issued of the 1903 McKinley Dollar, but have never seen them offered. This item certainly is of far greater numismatic interest than a set of the 11 Unc. gold Comm., and much less at 1,500.00**

This, of course, is the McKinley in frame which he believed was issued but which he never saw! Now, 4½ years later, we believe this great rarity is worth over \$2,500; probably closer to **3,000.00**

1522—\$1 1904 Lewis & Clark, BRILLIANT PROOF! Listed in Standard Catalogue of U. S. Coins. VERY RARE! The most recent specimen we saw was in 1964 at \$2,500; surely this one should now realize 3,000.00

1523—\$1 1905 Lewis & Clark, Brilliant PROOFLIKE rather than the full proof for which it was acquired. Some of these, like the gold dollars of the 1880's can be rather deceptive. Acquired over a decade ago at 550.00

1524—\$1 1916 McKinley Memorial, BRILLIANT PROOF with RAISED EDGE BOTH SIDES, light line on cheek. Also listed in Standard Catalogue (as are the four above coins). VERY RARE. 1,000.00

1525—\$1 1917 McKinley Memorial, BRILLIANT PROOF with RAISED EDGE BOTH SIDES. VERY RARE. 1,000.00
